

FREE DOWNLOAD VOUCHER!

We hope you enjoy your new karaoke system and that it gives you hours of fun for years to come.

Did you know singing is actually good for your health?

[Check out the article from Heart Search UK.](#)

We invite you to share your positive shopping experience by...

1. Leaving a KHE.com.au Testimonial [[CLICK HERE](#)]

and receive a 1 single song digital download voucher, valued at \$3.99

2. Providing a KHE Facebook review [[CLICK HERE](#)]

do this one as well and we will up your digital download voucher to 5 songs, valued at \$14.99

3. Leaving a Google review for KHE [[VIC STORE](#)] or [[WA STORE](#)]

do all three and you'll receive a 10 song download voucher, valued at \$27.90

So you can do any **one**, **two** or all **three** reviews and we happily then send you a karaoke download voucher to grow your song library.

HOW TO REDEEM:

Once you're done please email your **Name** and **KHE Purchase Receipt #** or **KHE Online Order** to: feedback@khe.com.au along with which reviews you did so they can be quickly verified.

Hurry times a ticking away to get your free songs, [with over 50,000 to choose from...](#)

Terms and Conditions.

This offer must be redeemed within [30 days of original single purchase date](#) of Sonken MP600, MP2000, Boom Box, Magic Sing ET-23KH or Miic Star Karaoke System to be validated, and is strictly limited to one voucher per person or house hold regardless of additional purchases made thereafter.

Once confirmed and approved your karaoke download voucher will be emailed to you! (within 14 days)

Redemption requests after the 30-day purchase period will not be accepted whatsoever, and vouchers will only be issued in fairness for positive feedback left.

KHE management reserves the right to reject any and all redemption requests, with all decisions being final and no correspondence will be entered into. Any vouchers lost will not be replaced, all vouchers are subject to normal terms of use.

All karaoke products are covered by several KHE [Guarantees](#) and have manufactures [Warranty](#).
