Either MP3+G or MP4 Songs on www.picknmix.com.au labeled (MPX) feature cover vocals which can be switch on/off using the Miic Stars remote control.

All new songs must be formatted the same way as songs already pre-loaded for this SD Card which are located in MYSONGS folder on the SD Card.

For example if you added another MP4 song that will be 801st song rename the file like this.

100801-Kylie Minogue-All The Lovers.mp4

There are no spaces in between Song#-Artist-Song Title just the - dash

The dash tells the Miic Star were the song number, artist and song title starts and finishes, so it displays it correctly.
