

# Miic Star MS-62 Karaoke System

Use YouTube Videos

The Miic Star MS-62 Karaoke System is extremely versatile and lets you add and sing along with most video files, specifically AVI/MP4 which you can download from your favourite YouTube videos.

How to download a video from YouTube: <https://www.onlinevideoconverter.com/video-converter>

Once the file is downloaded, copy and paste it into the **DOWNLOAD** folder on the SD Card, put it back in the machine once copying is done and play!
